

Master Franchise Agreement: 45-Agent AI Enterprise

Master Franchise Agreement - Automated AI Enterprise (45-Agent SaaS)

Purpose

Formalize the legal framework for franchise partners operating the AI enterprise globally, defining rights, obligations, revenue splits, and compliance standards.

Parties Involved

- **Franchisor (HQ):** AI Enterprise Global Ltd.
 - **Franchisee (Partner Agency):** Licensed regional operator.
-

Grant of Rights

- Franchisee granted non-exclusive rights to operate AI Enterprise SaaS in designated territory.
 - Rights include branding, marketing, and customer acquisition under HQ standards.
-

Revenue Sharing

- Franchisee retains 70-80% of subscription revenue.
 - HQ receives 20-30% as royalty fee.
 - White-label licensing fees: \$999/month per franchise license.
-

Compliance Obligations

- Franchisee must adhere to global compliance standards: GDPR, SOC 2, ISO 27001.
 - Regional compliance laws: PDPA (Singapore), APPI (Japan), CCPA (US).
 - HQ reserves right to audit compliance quarterly.
-

Operational Standards

- Franchisee must deploy all 45 agents across Support, Marketing, Billing, Orchestration, and Compliance clusters.

- Maintain brand consistency using HQ-provided branding kit.
 - Report KPIs monthly via Franchise Dashboard.
-

Performance Metrics

- Customer growth targets per region.
 - Revenue split tracking.
 - Compliance audit scores.
 - Customer satisfaction (NPS > 8).
-

Training & Support

- HQ provides training modules for all agent clusters.
 - Franchisee responsible for local staff training and customer onboarding.
 - HQ escalation support available via Support Escalation Router.
-

Term & Termination

- Agreement term: 5 years, renewable.
 - Termination clauses: Non-compliance, revenue underperformance, breach of contract.
