

Sales-Ready Product Sheet: 45-Agent AI Enterprise

Sales-Ready Product Sheet: Automated AI Enterprise (45-Agent SaaS)

Overview

A zero-employee, fully automated AI SaaS enterprise designed to generate recurring online revenue. Built on modular autonomous agents, this system is go-live ready and scalable.

Key Features

- **45 Specialized Agents** across Support, Marketing, Billing, Orchestration, and Compliance.
- **Zero Employees:** All workflows automated end-to-end.
- **Rapid Deployment:** MVP launch in under 7 days.
- **Scalable Infrastructure:** Cloud auto-scaling with orchestration agents.
- **Compliance Ready:** GDPR, SOC 2, ISO 27001 alignment.

Agent Clusters

- **Support (9 agents):** Customer onboarding, ticketing, multilingual chat, sentiment analysis.
- **Marketing (9 agents):** SEO, outreach, social automation, influencer partnerships.
- **Billing (9 agents):** Payments, subscriptions, fraud detection, tax compliance.
- **Orchestration (9 agents):** Workflow automation, scaling, error recovery, logging.
- **Compliance (9 agents):** Policy generation, GDPR enforcement, risk monitoring, encryption.

Commercial Model

- **Pricing:** Subscription tiers (\$9-\$99/month) or pay-per-use.
- **Revenue Potential:** \$120,000/year at 500 customers (\$20/month).
- **White-Label Ready:** Agencies can rebrand and resell.

Differentiators

- **Speed:** Launch in days, not months.
- **Cost Efficiency:** Minimal overhead, no salaries.
- **Scalability:** Serve 1 to 10,000 customers seamlessly.

Go-Live Timeline

- **Day 1-3:** Deploy Support + Orchestration.
- **Day 4-7:** Launch Marketing + Billing.
- **Week 2:** Scale Orchestration Backbone.
- **Week 3:** Activate Compliance.
- **Week 4:** Optimize & Expand.
