Sam Leong

AI & Digital Transformation Executive | AI Product Management
(CoE) & GenAI Architecture | 31 Years Global Leadership in Supply
Chain Modernisation & Enterprise ERP
Singapore, Singapore

Summary

Digital Transformation & Supply Chain Leader with 31 years of global operational leadership and deep expertise in AI product management (COE), GenAI architecture, ERP integration, and supply chain modernisation across complex industries including automotive, marine, trading, and public sector ICT. My career has been defined by embedding AI adoption, data analytics, ERP systems, and KPI governance into logistics and operations—ensuring resilience, cost optimisation, and measurable ROI.

Top Skills AI Adoption, Transformation & GenAI Architecture ERP Systems Integration — SAP MM, Oracle, Azure DevOps IT Product & Program Management (COE) KPI Governance & Operational Excellence Cross-Functional Stakeholder Management Digital Supply Chain Modernisation Certifications Professional Scrum Master™ II (PSM II) — Skillsoft, Jul 2026 (includes PSM I — Scrum.org, Jul 2022) Digital Transformation — Skillsoft, Jul 2026 (Dynamics 365, Enabling Digital Transformation, Leadercamp Agile, SGLF 2021) Anthropic AI Certifications — Apr 2026 (Claude API, AI Capabilities, Claude 101, Model Context Protocol, Agent Skills, AI Fluency Framework) SIT SCTP Digital Supply Chain — Sep–Dec 2026

Career Highlights Reduced fleet downtime by 10–15% through predictive maintenance and AI-driven optimisation. Delivered measurable ROI by embedding KPI governance frameworks achieving 95%+ compliance. Strengthened resilience in procurement and logistics networks, ensuring sustainable profitability. Directed ERP migrations (SAP MM, Oracle, Azure DevOps) ensuring compliance and operational resilience. Values & Leadership Beyond technical and executive expertise, I am committed to values-driven leadership. My volunteering with New Creation Church Outreach Ministry and SG Care reflects my dedication to community engagement, resilience, and service.

Experience

NCS Group
